Distt. Jhabua (M.P.)

Dear Christoph,

Greetings from JJH, Meghnagar!

We were surprised to read your mail informing us about the closure of *Together Hilfe Indien!*

While reading the letter we could really feel the depth of your relationship with India and particularly with Jhabua diocese and the people of Jhabua! Yes you have made a place in the hearts of the people of this area specially in the hearts of the babies, children, mothers, and farmers of this district.

As I look back to your association with Jeevan Jyoti, we are profoundly indebted to you for the selfless support and encouragement given to this institution. You have left behind erasable marks of collaboration in

Providing equipments

Renovation works of the Hospital

Nutrition Rehabilitation Programme

Vehicles

Treatment of patients (children and adults) who were financially weak

Hundreds of children could regain their health and growth through the NRP programme. This has been a mile stone of your programme and will be remembered by the growing generation.

I take this opportunity to express our heartfelt gratitude to you and the entire team of Together. Even though Together Hilfe fur Indien will be closed at the end of the year, we will not close our togetherness with you. You are always welcome to Jeevan Jyoti not as a fund giver but as member of JJH Family.
